

Welcome

Thanks for visiting Highway Christian Church today, we hope you enjoy the meeting, meet new friends and benefit from the time you have invested in your trip here. Our approach to life is quite simple we want to assist people to connect with God and help them on their journey to knowing him well.

We don't profess to have everything worked out nor are we all perfect but we do believe that as we stay close to one another and take steps to follow Biblical principles that God watches over our lives, blesses us and enables us to bless others. If we can help in anyway please contact our office for further assistance.

Wayne & Ruth Swift

June 2011

What is that in your hand.

It is nearly time for our annual Passion conference. Each year women come from all over Victoria to be a part of this incredible time. This year we already have women registered from Tas as well as Victoria. We are so privileged to have Helen Monk and Sharon O'Neill as our keynote speakers, both women are amazing communicators and we know they will challenge and inspire us to do more for God. The theme is what has God placed in your hand. We have a desire to inspire, equip and encourage women to use the gifts God has given them to reach out to a world that needs Christ. I want to encourage the women of Highway not to miss this conference it is a time when God does incredible things in the life of our church. Husbands encourage your wives to be involved. Inspire the young girls of our church to come to girlfriends.

Men you certainly don't miss out you are more than welcome to get involved with helping out. Also Helen Monk will be speaking at our Sunday service.

Let me finish with the scripture in Exodus 4: 2a Then the Lord said to him 'What is that in your hand'

Bless you all and thank you for being an incredible church
